

On Friday 23rd March our children will be taking part in various sporting activities throughout the day to raise funds for Sport Relief 2018.

Children in Nursery, Reception and KS2 should wear sensible sportswear (no uniform) to school (trainers/plimsolls are a must for the whole day). Hair should be tied back and earrings should be removed. Please also remember to send in their water bottles.

As KS1 children are on their Victorian trip to Hunstanton they should wear normal uniform, and they will be taking part in races on the beach.

Donations for Sports Relief can be paid via Parentpay or brought into school.
