

6th December 2018

Millfield Nursery

In exploring and learning this week.....

The children have been very creative with where 'our magic train' has been this week. Dinosaur land and fairy land have been a real focus. The children have really engaged in the small world play and we have heard some fantastic language and storytelling. Some of the children enjoyed using numicon and vehicles and others used candles and playdough for their number work this week.

Parent information

Please note that on the 12th December all children attending after school stay and play will need to be collected by 5pm.

Children's hot Christmas lunch – 13th December 2018. This can be ordered for your child via parent pay. The cost is £2.30.

19th December 2018 – Party food day and wear a Christmas / winter jumper day. The party food list will be up in nursery as of Monday 10th December. Any children that do not usual attend nursery on a Wednesday are welcome to come and join us 11 – 12:30pm.

There will be no school dinner available this day.

What we will be exploring and learning next week.

Next week the overarching topic will be 'Winter Wonderland'; this will include craft activities such as pine cone bird feeders, salt dough animals, arctic small world and looking at the changing weather and environment.

Cheeky challenge

We have been focusing on colour mixing over the last few week. Can your child tell you which two colours make green, blue, orange, purple and what happens to the colour when they add white or black?

Lunch Menu

Next week's menu is week 1.

Missing items.

Please can all parents check any nursery jumpers in case they have accidentally picked up another child's by mistake.

Upcoming dates.

Come and play dates for spring term will notified the last week of term.

End of autumn term is 19th December 2018.

Start of spring term is 7th January 2019.

Parent consultations will be 23rd January 2019. Further information to follow.
