In exploring and learning this week...

This week we have introduced the story *Where the Wild Things Are* by Maurice Sendak. The children have been making story maps and retelling the story. Designing and making their own wild things and even conducted a wild rumpus. We have also talked about the journeys and made boats and islands.

What we will be looking at next week...

Next week our big idea is Hats, we will be looking at the text *I Want My Hat Back* by Jon Klassen. We will think about what different hats are used for, designing and making our own hats and becoming story builders based on what hat we are wearing.

The Big Challenge!

What hats do you have at home? What are they used for? You could count how many different sorts of hats you can find or draw a picture of your favourite hat. Don't forget to share what you have been doing on tapestry.
